The heavy weight, 6-sided barrel houses your choice of a smooth writing Soft-Roll™ Ballpoint, Pencil, Inkball™ or Fountain Pen at one end and an ultra sensitive touch screen stylus at the other. Under the stylus top are phillips and flat head screwdrivers, while on the barrel are a built-in level, ruler and 3 different scale functions. The chiseled spring clip will hold the One Touch Tool pen securely in your pocket, ready to handle more jobs than any other pen!

Monteverde USA® is delighted to launch the new Limonada™ Collection in a choice of five exciting modern finishes. The Limonada™ has a clean elegant style that brings a youthful flair to this new design. The flexible spring steel clip is gracefully curved, with a central cut-out design that allows the bright colors to shine through, while ensuring that the pen sits low in the shirt pocket.
